THE COMPANY

Who we are and what we do

Parfumfabrik supplies retailers, brands and manufacturers with perfume oils, bulk perfumes and accessories. We make perfume oils and perfumes ourselves, and we support you from the first sample to your own brand.

205
perfume oils in eight fragrance families

204
bulk perfumes with the same numbers as the oils

5 g
samples from 5 g, sizes up to 1 kg

18
accessories for your filling

MANUFACTURER

Perfume oils and perfumes from our own production

We make the perfume oils and the bulk perfumes ourselves. You get sizes from 100 g to 1 kg, 5 g samples and bulk perfume in 500 ml and 1 l.

WHOLESALE

For retailers, brands and manufacturers

Perfumeries, online shops, resellers, brands and manufacturers order oils, bulk perfumes and accessories in the shop, from a single unit.

CONTRACT FILLING

Your perfume under your brand

Fragrance, filling, label and carton from our own production, plus the documents. From 500 units per fragrance.

YOUR OWN BRAND

From the first sample to the series

In the configurator you design bottle, print and packaging for a small series from 20 units. Special bottles and premium finishes are available from 500 units. We develop your own fragrance with you.

WHITE-LABEL OILS

Dropshipping under your name

You sell our perfume oil under your name. We fill, label and ship directly to your customers in your name. Wholesale price from 100 g, no stock to buy in advance.

PRINT SHOP

Labels and cartons

Labels and cartons come from our own print shop. You send the print data or use our design service.

Everything from one source. Questions about fragrances, quantities or projects? We reply within 24 hours.

RANGE

How the range is organised

The 205 perfume oils are assigned to one of eight fragrance families. The families run from fresh to deep. Each card shows number, name, target group and fragrance pyramid, plus our assessment of longevity, sillage and season.

FRAGRANCE FAMILY	FRAGRANCES	FREQUENT NOTES IN THIS FAMILY	PAGE
Fruity & Fresh	30	Bergamot, Lemon, Musk, Jasmine, Mandarin	6

The target group is a guide, not a rule: many fragrances suit everyone.

PERFUME OIL

Sizes

Sample 5 g, sizes 100 g, 250 g, 500 g and 1 kg. We produce 10 and 25 kg to order.

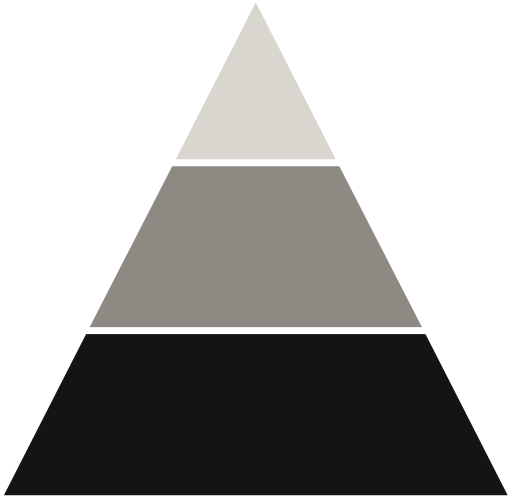
BULK PERFUME

Sizes

Sample 5 ml, sizes 500 ml and 1 l. The same numbers as for the oils.

RANGE

How to read a card



Top notes The first scent you notice: there at once, usually fades first.

Heart notes The character of the fragrance: comes forward as the top notes fade.

Base notes The foundation: develops slowly and usually lasts longest.

The duration of the layers is a general explanation, not a promise of hours. On skin it depends on skin type, amount and surroundings.

1001 Women

Juicy Peach Freesia

TOP Peach, Freesia, Gardenia
HEART Jasmine, Coriander, Rose
BASE Patchouli, Vanilla, Vetiver

Longevity ●●●●○
Sillage ●●●●○
Season Spring, autumn

Number and name
The number is the same for oil and bulk perfume.

Target group
Women, men or unisex.

Fragrance pyramid
Top, heart and base notes of the fragrance.

Longevity and sillage
Dots from 1 to 5, see below.

Season
The seasons in which the fragrance fits best.

DOTS	LONGEVITY: HOW LONG THE FRAGRANCE STAYS ON THE SKIN	SILLAGE: HOW FAR IT IS NOTICED
●○○○○	short	close to the skin
●●○○○	fairly short	subtle
●●●○○	medium	medium
●●●●○	long	strong
●●●●●	very long	far-reaching

Longevity and sillage are our own internal assessments, from 1 to 5. On skin it can differ.

YOUR OWN BRAND

Which route suits you?

Four routes to a perfume under your name, ordered by quantity. Pick the row that suits you.

ROUTE	FROM QUANTITY	DURATION	WHAT IS INCLUDED
Dropshipping with white-label oils	from 100 g	delivery in 3 to 5 working days	You sell our perfume oil under your name, we fill, label and ship.
Configurator, small series	from 20 units	4 to 8 weeks after print approval	Choose bottle, spray head, print, packaging and fragrance online, unit price right in the configurator.
Contract filling and private label	from 500 units per fragrance	4 to 6 weeks	We produce your perfume under your brand: fragrance, filling, label, carton and documents.
Special bottles and premium	from 500 units	2 to 4 months	Your own bottle shape, special lacquer, embossing, hot foil or magnetic box, on request.

Configurator

You choose bottle, spray head, print, packaging and fragrance online and see the unit price at once. You can reopen saved configurations later.

Contract filling and private label

You choose a fragrance from the range or have one developed. We mix, fill, print and pack. Beforehand you get a sample with fragrance, print and packaging and approve it in writing.

Special bottles

Your own bottle shape, pumps and caps outside the standard range, made through partner glassworks. We agree price, lead time and finishing with you individually.

Develop a fragrance

You describe your desired fragrance, we develop a formulation from our perfume oils. The development is free of charge, you pay only when you order a sample or quantities.

White-label oils

Dropshipping: you sell our perfume oil under your name, without your own stock. Your logo and product names appear on delivery note and documents.

Not sure which route?

Tell us your quantity and target date. We tell you which route fits.

DOCUMENTS AND LEGAL

The documents for selling

For every oil you get a safety data sheet, an IFRA certificate of conformity and an allergen list. What you need as a brand beyond that is in the shop under Legal and approval.

FOR EVERY OIL

Safety data sheet (SDS)

Classification, handling, storage and transport under REACH, as a PDF for every oil.

FOR EVERY OIL

IFRA certificate

The certificate shows that the oil complies with the IFRA Standard.

FOR EVERY OIL

Allergen list

The allergens of the oil as a PDF, for labelling your product. INCI list and allergens: see the product page in the shop.

FOR YOUR PRODUCT

Safety assessment (CPSR)

For perfume you sell in the EU you need a safety assessment. Qualified external experts prepare it, we run data collection and process. You order it in the shop for fragrances from our range, for businesses only.

FOR YOUR PRODUCT

Product information file (PIF)

The file with all documents on your product. The PIF assistant in the shop helps you put it together.

FOR YOUR PRODUCT

Notification in the CPNP portal

You make the notification in the EU portal CPNP as the responsible person or you appoint someone. Which role we take on in contract filling, we fix in writing before the order.

General information, not legal advice. You download the documents for every oil in the shop under Documents, by number or name.
